lasting relevance in the United States and around the world.”—Dan Rather To some, 1968 was the year of sex, drugs, and rock and roll. Yet it was also the year of the Martin Luther King, Jr., and Bobby Kennedy assassinations; the riots at the Democratic National Convention in Chicago; Prague Spring; the antiwar movement and the Tet Offensive; Black Power; the generation gap; avant-garde theater; the upsurge of the women’s movement; and the beginning of the end for the Soviet Union. In this monumental book, Mark Kurlansky brings to teeming life the cultural and political history of that

pivotal year, when television's influence on global events first became apparent, and spontaneous uprisings occurred simultaneously around the world. Encompassing the diverse realms of youth and music, politics and war, economics and the media, 1968 shows how twelve volatile months transformed who we were as a people—and led us to where we are today.

In this monumental new book, award-winning author Kurlansky has written his most ambitious work to date: a singular and ultimately definitive look at a pivotal

A reexamination of the 1968 My Lai massacre offers new perspective on the events and their relevance today in light of Abu Ghraib and other US Military scandals.

In mid-1967, the North Vietnam leadership had started planning an offensive intended to win the war in a single stroke. Part military action and part popular uprising, the effort included attacks across South Vietnam, but the most dramatic and successful would be the capture of Huế, the country's intellectual

and cultural capital. At 2:30 a.m. on January 31, the first day of the Lunar New Year (called Tet), ten thousand National Liberation Front troops descended from hidden camps and -- led by locals like eighteen-year-old village girl and Viet Cong member Che Thi Mung -- surged across the city of 140,000. By morning, all of Hué was in Front hands save for two small military outposts. The American commanders in country and politicians in Washington refused to believe the size and scope of the Front's presence. Captain Chuck Meadows was ordered to lead his 160-marine Golf Company in the first attempt to reenter

Hué later that day. Facing thousands of entrenched enemy troops, he reported: "We are outgunned and outmanned." After several futile and deadly days, Lieutenant Colonel Ernie Cheatham would finally come up with a strategy to retake the city, block by block and building by building, in some of the most intense urban combat since World War II. With unprecedented access to war archives in the United States and Vietnam and interviews with participants from both sides, Bowden narrates each stage of this crucial battle through multiple points of view. Played out over twenty-four days of terrible fighting and

art, culture, and politics, this book “illuminates the often-overlooked histories of 1968” (The Journal of American History). From the mid-1960s to the early 1970s, revolutions in theory, politics, and cultural experimentation swept around the world. These changes had as great a transformative impact on the right as on the left. A touchstone for activists, artists, and theorists of all stripes, the year 1968 has taken on new significance for the present moment, which bears certain uncanny resemblances to that time. The Long 1968 explores the wide-ranging impact of the year and its aftermath in
