For RtI Interventions I use six minute solutions with my kiddos. As a way for them to visually see how their fluency was improving I took the six minute solution fluency graph from the workbook and made it poster size. They loved graphing their results and tracking progress with their group partners. This is not my original work, just the graph from the Six Minute Solution text that I made larger.

Six Minute Solution Poster Graph by Adventures in Room 10 ...

Six Minute Solution is a reading fluency program that may be used as a supplement to a school's core reading program or as an intervention. The goal is to help teachers provide students in grades K-9 with concentrated practice on phonetic elements, sight word vocabulary, and expository passage reading in order to build overall reading fluency and boost achievement.
