**Encountering Revolution by Ashli White | Waterstones**

Ashli White is interested in exceptionalism, but more as it was conditioned by events and as rationalization. Her subject is slavery: how slavery linked the American Revolution and the Civil War and how American perceptions of the Haitian Revolution (1791–1804) shaped thoughts about slavery and contributed to the making of the early republic and American exceptionalism.

**Encountering Revolution: Haiti and the Making of the Early ...**

By (author) Ashli White. Share. *Encountering Revolution* looks afresh at the profound impact of the Haitian Revolution on the early United States. The first book on the subject in more than two decades, it redefines our understanding of the relationship between republicanism and slavery at a foundational moment in American history.

**Encountering Revolution - Ashli White - 9781421405810**

Historian Ashli White examines the ways Americans—black and white, northern and southern, Federalist and Democratic Republican, pro- and antislavery—pondered the implications of the Haitian Revolution. *Encountering Revolution* convincingly situates the formation of the United States in a broader Atlantic context.

**Encountering Revolution: Haiti and the Making of the Early ...**

Issue Section: *Comparative/World*. Recent scholarship has notably enhanced understanding of the profound influence of the Haitian Revolution upon the United States in the formative early decades of its existence. Ashli White's book is a significant addition to this scholarship, carefully describing the role of refugees from Saint Domingue during the period of the Haitian Revolution (1791–1804) in shaping the conflicted existence of a slaveholding republic.

**Encountering Revolution: Haiti and the Making of the Early ...**

Ashli White specializes in early American history, with particular attention to the connections between North America and the larger Atlantic World. To date, most of her research has concentrated on the political, social, and cultural history of the age of revolutions. White's first book, *Encountering Revolution: Haiti and the Making of the Early Republic* (Johns Hopkins University Press, 2010), explores the far-reaching impact of the Haitian Revolution on the early United States.
