Half-American and half-Singaporean, Max West grew up in Singapore without having ever heard of the Naval Diving Unit. Upon graduating from high school, however, he was conscripted for two years of mandatory military service. He found himself thrust into NDU, Singapore's elite naval special forces formation, as one of just two Eurasians in his enlistment class. In

Read Online Combat Frogmen Military Diving

From the candid firsthand account, West recounts the grueling training he endured and the deep camaraderie he and his teammates forged throughout their journey. West offers an accurate, unrestrained depiction of life as a trainee, revealing what it takes to succeed as a combat diver in the Singapore Armed Forces. National Service is a shared crucible borne by every Singaporean son. Unrestrained in its frankness and compellingly told, *How to Forge a Frogman* is a true, coming-of-age tale set in a uniquely Singaporean setting. Named a nonfiction bestseller by

of the men who comprised the
U.S. military elite.

"The rich history of SEAL Team 6 that captured Osama bin Laden stretches back to World War II when US intelligence officials formed a team of special-operation combat swimmers. Under the leadership of Captain Jack Taylor, a California dentist, the Maritime Unit (MU) started training in 1942, learning underwater and covert operation techniques, as it developed an array of James Bond-like new equipment, including the recently invented underwater

breathing apparatus, limpet mines, silent electric motors, and a collapsible eight-foot submarine.

Finally deployed in 1944, the unit conducted some of the most daring, behind-enemy-lines operations of the war in Italy, where they linked up with fearsome Italian commandos. In one of its greatest coups, they captured the plans--and the architect--of Germany's famed Gothic Line, resulting in the Eighth Army's partial breakthrough. Filled with unforgettable characters, including the unit's charismatic leader, a Hollywood star, and a gritty New York City gas station

US Secretary of Defense Caspar Weinberger, who stated that Western "testing" operations were carried out regularly in Swedish waters. Royal Navy submarine captains have also admitted to top-secret operations. Ola Tunander's revelations make it clear that the United States and Britain ran a "secret war" in Swedish waters. The number of Swedes perceiving the Soviet Union as a direct threat increased from 5-10 per cent in 1980 to 45 per cent in 1983. This Anglo-American "secret war" was aimed at exerting political influence over Sweden. It was a risky enterprise, but
