Standards are identified for kindergarten through grade six and for a core set of middle and high school courses - life science, physical science, Earth science, biology, chemistry and physics. In addition to the standards, curriculum frameworks, enhanced scope and sequence guides, test blueprints and released tests, the following K-12 science instructional resources are available.

Science - VDOE :: Virginia Department of Education Home

The Science standards reflect a new vision for science education that connects scientific knowledge, in authentic ways, to real-world problem solving and innovation. The standards forefront scientific practices that use and go beyond the inquiry process to arrive at reasoned and justifiable rationales for interpretations of phenomena/events.
