Find out about different cars: past, present and future. Explore recent manufacturing and engineering developments with environmentally friendly fuels and investigate their inner workings. DK Adventures is a nonfiction series for kids ages 8-11 featuring visually rich theme spreads, and fascinating facts that help kids build their skills in vocabulary, grammar, comprehension, and critical thinking while developing a love of reading. Designed to

keep interest high, build knowledge, and enrich the reading experience with fascinating background information, each title in the DK Adventures series is filled with information yet eminently accessible, and available in a wide range of kid-favorite topics including rain forests, animals, rocks, and shipwrecks.

Presents general information about automobiles, including their history, how they work, how they use gasoline for power, alternatives to pure internal combustion engines, racing, and their future.

Presents general information about automobiles, including their history, how they work, how they use gasoline for power, alternatives to pure internal combustion engines, racing, and their future.

This is a modern-day adventure of an eruption of Mount Vesuvius. Rosa Carelli, a volcanologist, and her son are caught up in the drama as the volcano re-awakens. The mayor is reluctant to cancel the village festival despite Rosa's warnings of an imminent eruption. Will he and the other villagers escape before the explosive volcano and a pyroclastic flow cause havoc? These 128-page books are perfect for elementary and middle grade students who can read alone confidently. The narrative and dialogue are fictional and read like the novels this age group is just beginning to discover, but the books are filled with nonfiction facts and information about the topic at hand. Interspersed throughout are genre spreads that make this a true DK book. Photographs and illustrations throughout the book engage and interest readers as they access information and develop their reading comprehension skills. Presented in chapters, the books in the DK Adventures series are perfect choices for kids who like to read for pleasure and need to read for class.

Look up close at rocks, minerals and sparkling gems to unravel the clues to classify and identify them. Find out how they were formed, where in the world they're found, and how to start your own rock collection. DK Adventures is a nonfiction series for kids ages 8-11 featuring visually rich theme spreads, and fascinating facts that help kids build their skills in vocabulary, grammar, comprehension, and critical thinking while developing a love of reading. Designed to keep interest high, build knowledge, and enrich the reading experience with fascinating background information, each title in the DK Adventures series is filled with information yet eminently accessible, and available in a wide range of kid-favorite topics including rain forests, animals, rocks, and shipwrecks.

Don't blink! You might miss the race car zip by! Technology is behind this super speed and impressive power. New tire compounds produce top grip and battery upgrades keep electric race cars accelerating to ever-higher top speeds. Advanced video systems keep a watchful eye on the pits in stock car races and high-tech sensors capture data second by second. Take young readers on a journey through the technology that makes race cars so amazing.

Uses engaging nonfiction text and hands-on projects to help young readers explore real-life rolling vehicle engineering projects, including the science behind how these vehicles are planned and built.

Investigate the amazing variety of insects and creepy crawlies of the Amazon and observe the many wonders of the rainforest habitat. The rainforest comes alive, and bugs have the right of way. DK Adventures is a nonfiction series for kids ages 8-11, featuring visually rich theme spreads and fascinating facts that help kids build their skills in vocabulary, grammar, comprehension, and critical thinking while developing a love of reading. Designed to keep interest high, build knowledge, and enrich the reading experience with fascinating background information, each title in the DK Adventures series is filled with fun information.

Set in the future (2098), five school children have won an international competition to visit outer space. They will journey to the distant star system of Alpha Centauri on the spaceship Argo to find a new home. Dramas unfold on the trip before they finally discover a new planet with great potential for human life to survive. These 128-page books are perfect for elementary and middle grade students who can read alone confidently. The narrative and dialogue are fictional and read like the novels this age group is just beginning to discover, but the books are filled with nonfiction facts and information about the topic at hand. Interspersed throughout are genre spreads that make this a true DK book. Photographs and illustrations throughout the book engage and interest readers as they access information and develop their reading comprehension skills. Presented in chapters, the books in the DK Adventures series are perfect choices for kids who like to read for pleasure and need to read for class.

When Jeremy visits his twin cousins Jack and Flash in Oklahoma, he gets a big surprise: they're storm chasers! They live in a region called Tornado Alley, an area with more tornadoes than anywhere else in the world. Jack and Flash travel around Tornado Alley looking for tornadoes, and Jeremy is coming with them on their next mission. In Twister! Jeremy and his cousins encounter giant hailstones, awesome lightning, and funnel clouds, but will they get to see a tornado face-to-face? And will they get sucked up into its trail of destruction? DK Adventures are nonfiction narratives for kids ages

8-11 featuring engaging, action-packed stories that help kids build their skills in vocabulary, grammar, comprehension, and critical thinking while developing a love of reading. With diaries, recipes, poetry, instructions, graphics, or songs, the genre spreads in each DK Adventures title enhance the story and reinforce curriculum learning, while the expansive range of entertaining nonfiction subjects will appeal to boys and girls everywhere. Supports the Common Core State Standards.
