When resentment surges during the Great Depression in a Texas border town, Estrella, fifteen, organizes a protest against the treatment of tejanos and soon finds herself with her mother and baby brother in Mexico.

The author of the National Book Award long-listed "When the Moon Was Ours" delivers a spellbinding romance about a lush garden and two lovers who fall under its spell.

In a haunting psychological tale of despair and freedom, Macabea is ugly, underfed, sickly, and unloved yet she fascinates Rodrigo because she is unaware of how unhappy she should be

The legend of the Christmas star that guides the three kings, shepherds, and the animals of the woodlands to the stable in which the Christ Child lies is enhanced by shimmering full-color artwork and holographic foils.

Winner of the John Dos Passos Prize for Literature "Stunning."—Newsweek With the same audacity with which John Steinbeck wrote about migrant worker conditions in *The Grapes of Wrath* and T.C. Boyle in *The Tortilla Curtain*, Viramontes presents a moving and powerful vision of the lives of the men, women, and children who endure a second-class existence and labor under dangerous conditions in California's fields. At the center of this powerful tale is Estrella, a girl about to cross the perilous border to womanhood. What she knows of life comes from her mother, who has survived abandonment by her husband in a land that treats her as if she were invisible, even though she and her children pick the crops of the farms that feed its people. But within Estrella, seeds of growth and change are stirring. And in the arms of Alejo, they burst into a full, fierce flower as she tastes the joy and pain of first love. Pushed to the margins of society, she learns to fight back and is able to help the young farmworker she loves when his ambitions and very life are threatened in a harvest of death. Infused with the beauty of the California landscape and shifting splendors of the passing seasons juxtaposed with the bleakness of poverty, this vividly imagined novel is worthy of the people it celebrates and whose story it tells so magnificently. The simple lyrical beauty of Viramontes' prose, her haunting use of image and metaphor, and the urgency of her themes all announce *Under the Feat of Jesus* as a landmark work of American fiction.

Kar-Ben Read-Aloud eBooks with Audio combine professional narration and text highlighting to bring eBooks to life! Yosef and Estrella have spent their whole lives in Morocco's Atlas Mountains. When they
