Fast Times in Palestine is Olson's powerful, deeply moving account of life in Palestine--both the daily events that are universal to us all (house parties, concerts, barbecues, and weddings) as well as the violence, trauma, and political tensions that are particular to the country. From idyllic olive groves to Palestinian beer gardens, from Passover in Tel Aviv to Ramadan in a Hamas village, readers will find Olson's narrative both suspenseful and discerning.

In reading \"Fast Times in Palestine: A love affair with a homeless homeland,\" I had to start from the end of the book. In those two pages the author thanked more than fifty individuals, but what got my attention was recognizing her ninth grade teacher for forcing her to write \"a journal every day.\".
