Flowers Gallery is pleased to announce Self , a solo exhibition by Shen Wei in Hong Kong. The exhibition brings together selected works from several series from 2009 to the present day, incorporating photography and video work. Shen Wei's diverse body of work explores notions of identity,

Daniel and Kazuya created three different print edition calendars for 2014. The titles are shown below and these are still available through Amazon and other book sellers.2014 Photo Calendar Showing Japan Mountains and Mountain Flowers2014 Photo Calendar - Japan's Flowers, Plants & Trees2014 Photo Calendar - Japan Mountain SceneryThey only created one calendar for 2015. The title is shown below and this title is also still available through Amazon and other book sellers.Japan Outdoor Scenes 2015 CalendarThey also only created one calendar for 2016. The title is shown below and this title too, is available through Amazon and other book sellers.2016 Calendar - Japan Outdoor PhotosThe year 2017 was the final time they created a calendar of photos taken in Japan. That one was entitled 2017 Calendar - Japan Outdoor & Nature Photos. It too is still available for sale through Amazon and other book sellers.The problem with calendars is that they are hung on the wall, written on, abused and finally they are thrown away. This book, therefore, includes all of the photos shown in the above listed six different calendars in a nice book form that can be kept forever so that the photos can be enjoyed again and again without being thrown away at the end of the year. Each photo is shown with a very brief description that explains what it is and where it was taken.You will note that as there are six calendar titles shown above, there should, therefore, be six photos for each month. This is generally the case, but not always. In some cases the authors selected fifteen or twenty of their best photos taken during the year to consider for inclusion in the calendars, but of course a calendar can only include twelve images and they had to make some tough decisions about which photos to include in the calendar and which to set aside for use at a later date. This book includes some of those photos which had to be set aside for use at a later date. When they show you a photo which was not used in a calendar they indicate that it was not used.

2014 Calendar with images of beautiful Australian flowers

Everyone longs for fragrant spring blossoms | Snapdragons, Bells of Ireland, Sweet Peas, Sweet Williams and other beauties. But few grow them successfully in their own gardens because they haven't learned the simple techniques that make it possible. Expert flower grower Lisa Mason Zeigler introduces us to the long-blooming stars of the spring garden, the hardy annuals | those flowers that thrive when they are planted during cool conditions (instead of waiting until the warmth of spring). Forget it!Some Like It Hot, she advises, and give them a cool start. Plant them in the right spot at the right time, nestle their roots deep into rich organic soil, and stand back. In no time at all, you'll have a low-maintenance, vibrant spring flower garden that keeps on blooming when other annuals are dead and gone.

The LSU AgCenter's 2014 Get It Growing Lawn Garden Calendar features beautiful photos of Louisiana flowers, plants and gardens and monthly gardening tips from Dan Gill, LSU AgCenter horticulturist. It also includes a special feature on roses and an illustrated section on How to Make Your Own Compost.
