supply chain managers should remain ever vigilant, say regulatory compliance experts. By Patrick Burnson, Executive Editor · October 16, 2019

Global Supply Chain Managers Continue to Leverage Trade ...

A global supply chain utilises low-cost country sourcing and refers to the procurement of products and services from countries with lower labour rates and reduced production costs than that of the home country. A global supply chain will usually flow from your own organisation in your home country as a buyer across your supplier tiers; it is these suppliers who will be located in other areas of the globe.
