How Art Made The World

How Art Made the World is a 2005 five-part BBC One documentary series, with each episode looking at the influence of art on the current day situation of our society. "The essential premise of the show," according to Nigel Spivey, "is that of all the defining characteristics of humanity as a species, none is more basic than the inclination to make art. ...

BBC - Science & Nature - How Art Made the World

In 'How Art Made The World', University of Cambridge Lecturer in Classics Nigel Spivey talks about the epic story of art; how the human mind made us artistic and how art made us human. Ambitious in scale and far-reaching in scope, 'How Art Made the World' is a fresh introduction to the history of art and, through the visual image, the history of humankind.

How Art Made the World (2006) - Rotten Tomatoes

How Art Made The World is, in my humble opinion, what teaching should be: interesting, intriguing and fun. After every episode we are left with the strange sensation that there's a bigger world out there, which is at the same time beautiful and haunting. This is something to think about, enjoy and share.
