A shocking exposé of the desperate subculture surrounding heroin addiction, William S. Burroughs' *Junkie* is edited with an introduction by Oliver Harris in Penguin Modern Classics. The title "Junky" says it all, William S. Burroughs' virtual junky diary is a trip through the author's own self-inflicted and self-injected personal hell. The Junky's Christmas - Wikipedia

Junk by William Dennison had become Junkie: Confessions of an Unredeemed Drug Addict by William Lee. Burroughs himself chose the new name—a very equivocal choice, in fact: he said he needed a pseudonym to conceal his identity from his family, but perversely he chose “Lee,” his mother’s maiden name, and so revealed the very thing he claimed to want to hide.

'Junk is not, like alcohol or weed, a means to increased enjoyment in life. Junk is not a kick. It is a way of life.' Burrough's cult classic is a raw, semi-autobiographical account of drug addiction, which outraged America and influenced generations of writers to come. He relates with unflinching realism the highs and lows of

dependency- euphoria, hallucinations, ghostly nocturnal wanderings and strange sexual encounters. Junky is a dark, powerful and mesmerizing account of one man's challenge to turn self-destruction into art.

Set in Mexico City during the early fifties, the story follows William Lee from bar to bar in the American expatriate scene as he pursues a young man named Allerton.

The author, an employee of the Federal Bureau of Narcotics for fifteen years, viewed the drug trade as being closely allied with crime, organized prostitution, alcohol, and various types of criminal syndicates. A central theme is the increasingly penal nature of federal policy towards narcotics in the period from the 1920's through the 1940's.

Last Words: The Final Journals of William S. Burroughs is the most intimate book ever written by William S. Burroughs, author of Naked Lunch and one of the most celebrated literary outlaws of our time. Laid out as diary entries of the last nine months of Burroughs's life, Last Words spans the realms of cultural criticism, personal memoir, and fiction. Classic Burroughs concerns -- literature, U.S. drug policy, the state of humanity, his love for his cats -- permeate the book. Most significantly, Last Words contains some of the most personal work Burroughs has ever written, a final reckoning with his life and regrets, and his reflections on the deaths of his friends

Allen Ginsberg and Timothy Leary. It is a poignant portrait of the man, his life, and his creative process -- one that never quit, not even in the shadow of death.

With the publication of *Naked Lunch* in 1959, William Burroughs abruptly brought international letters into the postmodern age. Beginning with his very early writing (including a chapter from his and Jack Kerouac's never-before-seen collaborative novel), *Word Virus* follows the arc of Burroughs's remarkable career, from his darkly hilarious "routines" to the experimental cut-up novels to *Cities of the Red Night* and *The Cat Inside*. Beautifully edited and complemented by James Grauerholz's illuminating biographical essays, *Word Virus* charts Burroughs's major themes and places the work in the context of the life. It is an excellent tool for the scholar and a delight for the

general reader. Throughout a career that spanned half of the twentieth century, William S. Burroughs managed continually to be a visionary among writers. When he died in 1997, the world of letters lost its most elegant outsider.

In the summer of 1944, a shocking murder rocked the fledgling Beats. William S. Burroughs and Jack Kerouac, both still unknown, were inspired by the crime to collaborate on a novel, a hard-boiled tale of bohemian New York during World War II, full of drugs and art, obsession and brutality, with scenes and characters drawn from their own lives. Finally published after more than sixty years, this is a captivating read, and incomparable literary artifact, and a window into the lives and art of two of the twentieth century's most influential writers.
