The definition of living in the moment In any moment when we have no psychological thoughts, or we don't believe our psychological thoughts, what remains is the experience of the present moment. Whenever our psychological thoughts aren't creating our experience of life, we get to directly experience whatever is happening in a given moment.

## What Does It Mean To Be Living In The Moment?

Practicing mindfulness is about living in the present moment and allowing yourself to experience it as fully as possible. You can't savor in the present the food you ate yesterday or the food you plan to eat tomorrow. And if your conscious mind is stuck in the past or future, you won't savor the food you're eating now.

## Living In The Moment (7 Steps To Live In The Present

...

Living in the Moment is for those who have experienced mindfulness and want something new but also for those who know nothing about it. It's a very attractive book with a quirky font and simple but effective illustrations on every page. It makes a lovely gift and I have already ordered 2 for friends - to give them the gift of mindfulness.
