The Pocket Piggies board books marry the inherent appeal of Teacup Pigs to the sweetness of the board book format. The photographs are full-color, full-page, and up-close. The subjects are classics: Pocket Piggies Numbers! celebrates an ever-growing crowd of piggies, from one to ten, through a rhyming text that's sweet and charming, to read again and again:

Several full-size versions of this book exist. At this larger size, the amazing detail of the little pigs emerges. But in the board book format, the illustrations get squeezed down, losing the details that bring out the personalities of the piggies. This leads to a tough decision: go with the sturdier board book or with the regular hardback.
