Obvious Adams: The Story of a Successful Business Man, originally published in the Saturday Evening Post in 1916, is a classic story of a business man in the field of advertising and his journey to business success. It is a story which has lead individuals with business ideas to garner great success in the world of business and in their professions. This Robert Updegraff classic is often used in business schools and by individuals studying entrepreneurship, advertising, and business.

Professional resume and cover letter writers reveal their inside secrets for creating phenomenal cover letters that get attention and land interviews. Features more than 150 sample cover letters written for all types of job seekers, including the Before-and-After transformations that can make boring letters fabulous.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.
