This book is an expanded and updated version of Anni Sennov's previous book "Crystal Children, Indigo Children and Adults of the Future" and it gives you good all-round insight into what it means to be a New Time Indigo and Crystal child/person and how the Indigo and Crystal energies, now and in the future, will affect everyone's lives, life values and day to day existence on Planet Earth. The Indigo and Crystal energies have already arrived on Earth. Not in the form of a strong white light or a great holy Angel descending from above but through all the children of the New Time born from the mid-1980s onwards and many more New Time children are yet to come. They are born with pure spiritual energy and total balance fully integrated in their bodies. However, for adults with a soul aura structure, the New Time energy does not appear by itself. It must be chosen consciously. You can achieve this through an AuraTransformation, which is a permanent and radical expansion of your personal consciousness. It gives you more radiance, drive and intuition and also helps you to better define who you are and what you want. It is a condition of being aura-transformed that you read this book so that you are fully informed and aware of the effects of integrating the New Time energy into your aura.

This book relays the message that, indeed, the nonliving things that we call crystals, rocks, gemstones, precious or semiprecious are actually living things! The Crystal people of the Crystal kingdom say that the “human beings are the most beautiful of God’s creations, if only they knew this.” Yes, indeed, fellow human beings. The nature kingdom, of which one of them is the Crystal people of the Crystal kingdom, do have feelings! They vibrate and are alive! We can call them the Crystal people of the Crystal kingdom in the nature kingdom. Crystals may be static and just seems to be sitting and not moving in their places of habitations, but they know what we do. They keep a record of it. There is no hiding place. They know our thoughts, words, and actions, recording all of us, humans, in crystal disks on film! And they are in posterity forever. We better watch out, and we better be good to one another now because everything is recorded. There’s no turning back. If we know this wisdom or knowledge, all humans will be good to one another. Now you know from this precious book. The Crystal people of the Crystal kingdom watch us and feel us from the bottom of the ocean to the top of the universe. Even Jesus had mentioned in the scriptures that the rocks will talk if the children did not greet him in Jerusalem in the words “Hosanna, to the son of David.” It is also through mental telepathy or mind communications and visions that Jesus and other ascended masters communicate to human beings and to other objects. And it is in these mind communications as well that Crystals commune to the God source or over creator of all creators and to all forms of living beings like us. Crystals would like to talk to us. Let us talk to them. We may be as one of them in our past, present, or future incarnations. We have been in many forms of existence in different lives, time, and space. And will be, believe it or not! Our minds are alive even though our eyes are closed in sleep. According to Jesus, we can see in our dreams. It is high time that we realize that we are surrounded with every living beings you can imagine. God source is an intelligent designer. Whether one is an atheist or not, Crystal people honors the God-power within all living beings—be they humans, fellow crystals, rocks, gemstones, precious or semiprecious, trees, cetaceans such as the dolphins, whales, and all sea creatures or in the oceans, the elementals or beings of nature, such as the elves, dwarfs, hobbits, leprechauns, Peter Pan, Wendy, and the like. Each living being has different forms, shapes, sizes, and looks. All of us—humans and all living beings, such as the Crystal people of the Crystal kingdom on planet Earth and in the heavenly galaxies of multitudinal Crystal stars—are all related

In essence, this story is about how a certain person was searching his bookshelf for something to read and in the end found a book, which turned out to be the source, from which it is possible to obtain absolutely any kind of information about absolutely any person. Meaning, information to the smallest particulars and details about what his or her qualities of personality are, how he or she lives, what he or she really wants to achieve, what he or she hides, and much more. And, it does not matter, if the subject is some person, who lived in the distant past or lives in the present or someone, who will live in the future. Since, as it turned out later on, this literary monument is nothing other than the Catalog of human population. In other words, the encyclopedia of Homo sapiens; in essence, the same as encyclopedias, reference books for specialists, which contain complete information about representatives of a particular subspecies of animals, plants, etc. Although at some point, the course of this story turned banal: "bad guys" from security services, intelligence services, politics decided to not only use this source of knowledge for their dirty deeds, but also to appropriate it solely for their personal use. And, the way they tried to do this is also banal: by physically destroying the author of discovery of the Catalog of human population and all of his colleagues. However, the ending of this story makes it stand out from the category of ordinary spy stories. At least because the main characters of this story managed to survive not due to favorable concatenation of circumstances or someone's help, but thanks to that knowledge, which they discovered in the ancient text, which turned out to be the Catalog of human population. Of course, such an outcome upset and continues to upset not only the Russian special services, but also all those people in whose way developers of the Catalog of human population got. And, in this civilization, there are countless numbers of such people:

## Acces PDF The Crystal Human And The Crystallization Process Part Ii About The Body Crystallization Phase And Childrenadolescents Of The New Time

from psychologists (who become no longer needed by anyone) to organizers of this civilization themselves. Since from the standpoint of the Catalog of human population—technogenic civilization without a human, which they lovingly built for many centuries, is simply trash, to put it mildly, and beneath all criticism. And, they themselves are also trash. However, regular people, who (thanks to the scientific discovery made by Andrey Davydov) got the source with answers to all of their questions and individual recipes, now no longer need to pay "experts on the human soul" for being shamelessly fooled. Therefore, whoever tries to kill developers of the Catalog of human population in the future must know that it is no longer possible, as they already became part of history of humanity. After all, at the current stage of development, a Homo sapiens has only one possibility to continue to live after death, to live through the ages: in the product that he/she created. And, those, who tried and continue to try to kill them, were nobodies and will remain nobodies, who one day will cease to exist without leaving a trace. As for organizers of this "civilization"—maybe instead of trying to find new recipes to destroy "excess billions" and trying to examine human potential using Neanderthal methods, it would be more reasonable not only to find out the recipe of how to make Homo sapiens a 100% controllable producer and consumer from the source (which, by the way, seems to have been left to humanity by creators of nature and a human on this planet), but also how to build a civilization without quotes? After all, it only seems to them that they are the main deceivers, while in reality they were fooled, and fooled majorly.
