Supply and demand trading is not rocket science and no one owns it or has a patent on it. The good news is that anyone can learn it, it is a simple market principle that has been in existence since there was a market and it will always be the same principle till there is no more market which will be the end of days. The even better news is that you don't need an MBA or even a high school diploma to learn it and use it to make an unlimited income from trading. Using supply and demand is a no brainer and doesn't require years to learn it and use it. Supply and demand is the only way live markets work meaning for every buyer there has to be a seller and for every seller there has to

What is that lyric in that one song? “The lure of easy money has a very strong appeal”. Maybe you decided to get into the day trading business of investing and/or investing and trading because you saw some late-night TV commercial about day trading with flashy offers. Perhaps you received a spam e-mail touting some day trading method or system that said you could make easy money in the markets; I suggest you reconsider if that’s the case. *Death by Day Trading* is for all beginning aspiring investors and traders who are just getting their head around doing the day trading business who go online and do a search to find information on how to do financial market trading and it should be the first book a brand new beginner reads before any other books on trading as far as I’m concerned and will be the most harsh and brutal day trading

Everyone has their own ideas of what they think day trading is and what it can do for them; you need to look at it from a realistic perspective from the start and Death by Day Trading is absolutely going to help you to do that. This book is for beginners and will detail many of the things that a brand new trader must learn not to do before they can become consistently profitable in the live markets. You've heard the saying "just say no to drugs", just say no to day trading and you and your account will be waaaaay ahead of the game to start off. Don't say I didn't warn you, OK, continue with your insanity and read the entire book to give yourself a fighting chance. Death by Day Trading can help you keep it simple and filter the huge amount of information out there down to only what you need to know right away and then can work towards adding
